

Dear Community Members

The Bradford Community Church has deep roots in our little town. Did you know our church has stood in Bradford for three different centuries, having been built in 1829?

We continue to be a beacon of light to travelers passing through town as well as those that call Bradford home. We are a community church that welcomes all and we are dedicated to supporting our community and sharing God's Word.

Members have been entrusted to preserve and maintain our treasured church for almost 200 years as time and New England weather takes its toll on the building. Whether it was the repair of the church clock, fixing the foundation, or recovering from flood damage to the Food Pantry, the extended Bradford Community has continued to show support through the years.

The Bradford Community Church Trustees now need to address the condition of the exterior of the building as decay is becoming very apparent and needs attention. A fundraising campaign will shortly be underway for a much-needed restoration to the exterior siding and painting of the building.

We kindly ask that you consider donating to the BCC to support the preservation of our town church. Donations can be mailed to: Bradford Community Church, PO Box 57, Bradford, NH 03221.

We would be grateful if you would consider making a donation to this endeavor.

Thank you

Bradford Community Church Trustees
